

Almyra
Fiscardo, Cephalonia

Almyra is set on the hillside a 15-minute walk from Fiscardo harbour. It enjoys fabulous panoramic views across the cypress tree-clad hillside, out to the sea, and beyond to Ithaca. All 27 rooms and each of the numerous spacious terraces take full advantage of this superb location, and offer some variant of those views. Almyra is a very special place and comes with our highest recommendation.

restaurant – where guests can take advantage of a 10% reduction.

Lunch, snacks and afternoon tea are served throughout the day and the hotel prepares excellent picnic baskets (payable locally) for when you explore the island by road or boat.

Getting Out & About

The walking directly from the hotel is wonderful – with tracks to Emblisi beach or a fifteen-minute stroll along the road to the harbour at Fiscardo.

For those times when it is preferable not to walk Almyra provides a complimentary new mini-bus shuttle service. This operates to and from Fiscardo throughout the day and into the evening from 10:00 to 23:00, seven days weekly.

Almyra is owned by Polychronis and Elina, whose family runs one of Fiscardo’s most popular harbourside restaurants, ‘Tassia’s’. Indeed the restaurant is named after the head chef, Tassia, (Polchronis’ sister) who is a minor celebrity – she is a published cookery book author and hosts a Greek television food programme.

The family are used to providing high levels of service and Elina, who runs Almyra, works hard to ensure that her guests may enjoy this same hospitality and service at Almyra.

The entrance leads through reception to a spacious bar, lounge and breakfast area, all of which open onto the main terrace. This terrace runs alongside the entire frontage of Almyra and extends towards the sea on one side – thereby providing considerable space and a wonderful vantage point overlooking the pool area with superb views to sea. Steps lead down to the large freshwater swimming pool and Pool Bar, which are located in the grounds in front of the main building, and are surrounded by further terraces where guests can relax and enjoy the ambience.

This delightful boutique property is very substantial, yet it has only 27 rooms. The reason Almyra appears to be so large is that each of the rooms (be they standard, deluxe or a suite) are designed with space and comfort in mind, and are certainly considerably more spacious than the norm.

Pre-booked Motor Boat Hire in Fiscardo
(see online for special rates)

In our opinion the use of a motor boat completes the whole Fiscardo experience, offering a unique and unusual opportunity to explore the island from a different vantage point. We therefore provide special rates for our ‘Pre-booked Motor Boats’.

These small motor boats come with our highest recommendation as they allow guests to explore the coastline around Fiscardo in a manner that few have the opportunity to do – discovering its many bays and inlets which are often completely deserted. In addition, they can even be used to visit the nearby island of Ithaca.

Dining at Almyra

The Almyra Terrace Restaurant opens two evenings per week (including a special themed barbeque evening) and it serves excellent Cephalonian fare.

For the remainder of each week guests may select from the extensive choice of restaurants in Fiscardo Harbour and the surrounding villages, including of course ‘Tassia’s – Fiscardo’s best-reputed
