

Seyhan Hanna
The Lycian Coast, Turkey

Seyhan Hanna is an exceptional new gulet and the space that she offers is unprecedented, with a truly gigantic 39 metres. Add to that the attentive crew, hotel-style cabins, excellent food, and great opportunities for water sports and you are guaranteed a very special experience.

Exclusive Gulet

Exclusive Escapes

The average gulet measures 21 to 23 metres and has seven cabins. The *Exclusive Escapes* gulets are very much more spacious than this and include the rare luxury of 'hotel-style' cabins. 'Aleyna' is 27 metres with just four cabins and 'Seyhan Hanna' an enormous 39 metres, with only six luxurious cabins!

Although Seyhan Hanna will spend some time under sail, in all frankness, as with most gulets this is a cosmetic exercise rather than a thrilling one! Seyhan Hanna is designed to allow guests to explore this stunning coastline in complete an absolute style.

Feedback since her launch – three summers ago – has been exceptional highlighting that not only is she a superb gulet, but perhaps more importantly, the Captain and crew take great joy in ensuring that their guests lack for nothing!

Cabins

'Seyhan Hanna' has six luxurious and extremely spacious cabins, each with seating areas. They are impressively designed to provide the space and comfort of a hotel room.

Four deluxe cabins are 20 square metres (compared to 12 on a standard gulet). In addition, there are two master cabins, which are a more than substantial 31 square metres!

All six cabins have large double beds measuring 2 metres x 2 metres (the first of this size in the gulet market). Two deluxe cabins and both master cabins have a double and single bed.

Food & Wine Onboard

We have no doubt that you will build up an appetite when gulet cruising and will appreciate the fabulous food on offer. The emphasis is firmly on fresh, simple and hearty fare, with fresh fish being offered several times a week. Please be sure to inform us of any special dietary requirements you may have, so the crew can prepare accordingly.

Dining Ashore

Our cruises are provided on a full board basis. However, should you wish to dine ashore on any evening (payable locally) simply inform the Captain and he will make arrangements accordingly.

Whenever the gulet has been utilised for individual cabin sales the itinerary will allow for one evening to be spent in a harbour mid-week when guests will be free to eat onboard in the harbour or explore the local restaurants (payable locally).

Bar Service & Complimentary Water

Complimentary bottled water is provided on all our gulets throughout the entire day. In addition, an onboard bar service is provided, with rates that are more than reasonable and are linked to those of our onshore properties. As in a hotel, we would therefore kindly request that other drinks are not brought onboard.

Inclusive Bar Service – sole charters only (must be applicable to entire party)

Should you prefer to have a service inclusive of all drinks please apply the following:

Soft drinks, local wines,
beers and imported spirits £175

Soft drinks, local wines, £225

Activities Onboard

In addition to providing endless swimming opportunities Seyhan Hanna carries the following equipment onboard:

- Two windsurfers
- Two sea kayaks
- Fishing & snorkelling equipment
(we recommend you also bring your own)

TENDER WITH 60HP OUTBOARD
WATERSKIING RINGOS

Additionally, and most unusually, she provides a tender with an outboard powerful enough to offer waterskiing and ringos. A small charge is made for this – payable locally.

Other water sport opportunities will arise as the week progresses, with the captain being able to meet up with various water sport schools along the way.

Children Onboard

For reasons of ambience our normal policy is that children under the age of 14 are of course welcome to join whole boat charters, but not individual cabin sales (should dates be released).
